Advanced Designer Sewing Whimsical Wholecloth Quilting— *Creating Vintage Heirlooms*

Wall Hanging—finished size 12" x 18"

Background Fabric and Backing (2/3 yard) Choose mottled, muted, tone-on-tone, or solid 100% cotton fabric.

Binding: (1/3 yard) Cut 3 strips, 3-1/2" wide. This may be the same color, a contrasting color, or printed fabric to coordinate with the background fabric.

Thread: Should be a large spool of 100% cotton or all-purpose thread. Could match, contrast, or be variegated to match the background fabric for quilting.

Mechanical Pencil

Mark-Be-Gone™ (Blue, water-soluble pen)

Safety Pins: 1 pkg. of 30 large basting pins

Straight Pins, Hand-Sewing Needle, Scissors, Seam Ripper, Bernina™ bobbin. Bernina™

Walking Foot (optional) and Bernina™ Free-Motion Foot (optional)

A \$1.00 workshop fee will be charged with registration to cover a sewing packet which will include the following item:

15X20-inch batting (Heirloom Hobbs 80 cotton/20 polyester)

I do not like to pre-wash my fabric, I would rather you didn't, but if you want to, go ahead and have it pre-washed, ironed, and ready to cut. **Please do not pre-cut your fabric!** (We are doing this just like a regular secondary class—from start to finish). My goal is to complete this quilt, including the binding before you leave.

Another thing that would be very helpful is *if you have access to a walking foot that fits a Bernina and a free-motion or darning foot, please bring them with you to the class*, as I have a limited number of them. However, the batting we are using makes it so you can do the straight quilting with your regular foot (it is just easier and smoother with the *Walking Foot*). The free-motion must be done with a *Darning Foot* or *Free-Motion Foot*.

Please bring as much of the equipment list as you can. It will speed things up not having to wait in line. Remember to change your rotary blade to a new one before coming to the workshop.
